

Artist

Artist Name: Andrea Frittella / Irregular Disco Workers

Performance Type: DJ Set

Set Duration: 60 / 90 minutes

DJ Equipment Requirements

The following equipment must be available, fully functional, and connected before the performance:

- (2) Pioneer CDJ players (Preferred: CDJ-3000 or CDJ-2000NXS2)
- (1) Pioneer DJ Mixer (Preferred: DJM-A9, DJM-900NXS2, or DJM-V10)
- Stable DJ booth with adequate workspace
- Booth monitor(s) with independent volume control

Audio

- Professional PA system appropriate for the venue.
- Booth monitors positioned for clear monitoring.

Performance Notes

- Please ensure all equipment is updated, tested, and operational prior to the performance.
- USB playback must be supported. The 2 CDJ Players should be connected with LINK cable
